

Eaton Named All-State

SALT LAKE - Wasatch High School basketball star Alan Eaton was named by the Deseret News to the All-State team.

This is the second year which Eaton has been named to the team. Eaton was a strong leading force for the Wasatch team. He was absent a large portion of the season due to illness and a sprained ankle.

Wasatch shared the Region Nine title this year. Alan is the son of Mr. and Mrs. VaLoy Eaton of Midway. He is a senior.

The selections were made by Sports writers throughout the state. Eaton was selected last season as a junior to the all-state team.
